

EQUINE BEHAVIOR SYMPOSIUM WITH ROBERT M. MILLER, DVM & LESTER BUCKLEY

WHEN
September 8
10am – 6 pm

WHERE
Equestrian Lakes
Finchville, KY

Don't miss out on this unique opportunity to experience the wisdom of Dr. Robert M. Miller and the insightful teaching of Lester Buckley! Dr. Miller and Lester Buckley have taught clinics together for over two decades, combining horse psychology & how horses learn with the gymnastics & methodology to create a thorough understanding of how to develop the horse over time.

**VISIT WWW.LESTERBUCKLEY.COM FOR MORE
INFORMATION ON HOW TO ATTEND AS A RIDER OR
NON-MOUNTED PARTICIPANT.**

Sponsored by Buckley Ranch & Sport Horses, LLC.
clinics@lesterbuckley.com

The format will provide for a rare learning opportunity for mounted or unmounted participants. Dr. Miller will give a brief intro to the 10 principles of the Equine Behavior before the AM and PM sessions. Interspersed throughout the day will be several semi-private lessons where Lester will teach with Dr. Miller interjecting at key moments to discuss how the horse is learning and/or the common hindrances to horse/rider progress and development.

EVENT FEES

Mounted Participants
(limit 8)
\$150

Un-Mounted Participants
(limit 40)
\$110

CLINICIANS

Robert M. Miller, DVM has spent 31 years studying equine behavior and practicing veterinary medicine. He is best recognized for his system of training newborn foals known as imprint training. He is a co-founder of the Light Hands Horsemanship clinic.

Lester Buckley is a multi-disciplinary international teacher of both horsemanship and the principles of Classical Dressage. He is respected among his peers as one of the most accomplished equestrians and gifted teachers in the business today. Lester was a Light Hands featured clinician.
